ANNUAL REPORT 2008 - 2009

BRIEF INTRODUCTION OF INDIAN SOCIETY OF NEPHROLOGY

The Indian Society of Nephrology was founded by the joint efforts of Dr. K.S. Chugh and Dr. P. Koshy on 18th of January, 1970 at a meeting held at the Topiwala National Medical College, Bombay. The meeting at the time of foundation of the Society was attended by Dr. K.S. Chugh (Chandigarh), Dr. P. Koshy (Vellore), Dr. C. Prakash (Rohtak), Dr. P. Raghvan (Bombay), Dr. H. Vaishnava (New Delhi), Dr. S.P.S. Teotia (Lucknow), Dr. P.D. Gulati (New Delhi), Dr. Thomas Kuruvilla (Tiruvalla, Kerala), Dr. P.K. Wahal (Agra) and Dr. K.V. Krishna Das (Trivandrum). The Society was registered at Chandigarh under the Societies Act XXI of 1860.

The Society had been holding its Annual Meeting along with Association of Physicians of India (API) from its inception till the year 1991, when it got separated from API. First independent Annual Conference of Indian Society of Nephrology was held at Jaipur in year 1992.

The Society had registered continuous growth in its membership. There is tremendous growth of the scientific content of our Annual Meeting both in quantity and quality over all these years. The Society is steadily achieving its aims and objectives.

Present strength of membership is 853 Life Members and 86 Associate Life Members.

FROM THE DESK OF SECRETARY

Dear Colleagues,

My warm and heartiest greetings to all of you.

I am completing my last term as Hony. Secretary of the Indian Society of Nephrology (ISN). All these six years, I have enjoyed working as Secretary ISN. Secretariat has been trying its best to achieve overall growth of the Society. Your cooperation and appreciation has kept my drive and energy alive in doing my bit in promoting the cause of Indian Society of Nephrology. I could succeed in my efforts with your guidance, appreciation and encouragement. I am grateful for the blessings of my senior and experienced colleagues who have guided me from time to time. I am indebted to all of you for helping me in trying to do this challenging job.

International Society of Nephrology

With the help and valuable input by COMGAN representative and Council Members of International Society of Nephrology, the relationship with International Society of Nephrology is continuing to grow. I would like to put on record our thanks and appreciation on behalf of Indian Society of Nephrology to COMGAN and International Society of Nephrology sponsorship for the various joint ventures between the two societies.

There has been improvement in the financial health of the Society. We must recognize the major contributions to the Society out of proceeds of ISNCON-2004 held at Varanasi under the leadership of Dr. Jai Prakash, ISNCON-2005 held at Cochin under the leadership of Dr. Georgy K. Nainan, ISNCON 2006 held at Bhubaneswar under the leadership of Dr. R.N. Sahoo, ISNCON 2007 held at New Delhi under the leadership of Dr. D.S. Rana, ISNCON 2008 held at Pune under the leadership of Dr. A.N. Sadre. We are now able to provide liberal travel grants to the Post-graduates to attend our Annual Conferences. Last year we gave travel grants to post-graduate students and this year it is being given to over 20 post graduate students, who have applied. In addition, we are regularly providing best paper awards during our Annual Conferences. Society is also funding for travel of members of scientific committee to hold scientific committee meetings and to cover the travel expenses of overseas, guest speaker for KS Chugh oration. The cash in hand has increased from Rs.30 Lacs when I took over the secretariat to over Rs.90 Lacs now.

This years we would have total 66 oral presentations:27 Clinical Nephrology (CNO), 21 in Dialysis (DO),18 in Renal Transplantation (RTO).There would be over 34 poster presentation (CNP 26, DP 3, RTP 5). Over all it is planned to have seven oral paper sessions, two poster sessions and five plenary lectures. The two themes of official symposia of Indian Society of Nephrology are **'Water quality in HD' and 'Diabetes and kidney disease'**. The selection of abstracts for oral presentation has been based

on the blinded objective scores given by the scientific committee of Indian Society of Nephrology. I am especially thankful to the Chairman of the Scientific Committee – Dr. Anuradha, and other members; Dr. Sanjay Kumar Agarwal, Dr. Bharat Shah, Dr. Abhijeet Taraphdar and Dr. H.S. Ballal and the President of ISN, Dr. R.N. Sahoo for the planning and finalization of the scientific programme. The programme has been planned to have more participation of the Indian speakers to address various issues faced by us in the Indian subcontinent. Please visit the conference website www.isncon2009.com and ISN website www.isn-india.com for latest updates and email me at rksharma@sgpgi.ac.in for any information. The scientific programme would start on 4th December 2009 at 9.00am and continue till 3.00p.m. on December 6, 2009. There are two sessions of pre conference CME – 1. Pediatric Nephrology - Chronic Kidney diseases of children (long term outcome) and 2. Renal Pathology Session in Collaboration with 'Indian Society of Renal and Transplant Pathology' (ISRTP) on 3rd December 2009 from 9.00am to 5.30p.m.. You should plan your stay at Guwahati accordingly.

I am sure, with our sincere endeavour very soon we will be able to put our Society on the world map as a premier society of South Asian Countries.

I look forward to seeing you in Guwahati during the ISNCON 2009.

With best wishes,

Sincerely yours,

Dr. R.K. Sharma
Hony. Secretary
